

DIP AND DIVE

ENGLISH

We will be reading and enjoying Tad by Benjii-Davies. We will link this to learning about the lifecycle of a frog. Later in the term, we will read The Snail and The Whale by Julia Donaldson and The Big Book Of The Blue by Yuval Zommer.

MATHS

In Mastering Number, we will be working on our fluency with mathematical calculations. In our Maths lessons we will be learning about fractions, looking at halves and quarters in particular. We will also be learning to tell the time on analogue and digital clocks.

HISTORY & GEOGRAPHY

We will be learning about Southwater and how it has changed over time. We will be using maps and timelines to plot these changes.

SCIENCE

During the Summer term, we will be learning about materials and their uses. We will be identifying and comparing materials for particular uses.

PE

In PE, we will have a weekly outdoor lesson and an indoor PE lesson. We will be learning to hit a ball with a racket and then use this skill in simple games. We will also be preparing for Sports Day.

MUSIC

We will be continuing our singing skills, learning a range of songs. We will be getting the musical instruments out and exploring the music we can make with them.

RE

We will be learning about Christianity and Judaism. We will discuss why Christians trust Jesus and we will learn about the Torah and its importance to the Jewish faith.

EAS

This term, we will be focusing on transition. We will be talking about habits and whether they are easy or hard to change. We will also start thinking about our move to Year Three.

COMPUTING

During the term, we will be exploring stop motion animation.

ART & DESIGN

In DT, we will be designing, preparing and making fruit skewers. In Art, we will learn about Monet and in particular, his Water-Lily paintings
