

ROAMING IN THE RAINFOREST

ENGLISH

We are really looking forward to exploring elements of the Rainforest, this term. In Year 3, we will be deepening our understanding of grammatical structures and conventions as well as developing our spelling skills.

SCIENCE

During the summer term, we'll be exploring the fascinating world of plants, delving into their structures, functions and life cycles.

EAS

We will be learning more about healthy bodies and healthy minds as well as how to keep ourselves safe within different situations and our environments.

MATHS

This term we will be learning more about:

Number – Fractions

Measurement – Time

Geometry – Properties of shape

Measurement – Mass and capacity

PE

In PE, we will be learning tennis, orienteering, rounders and athletics.

COMPUTING

This term, we will be looking at key features of power point.

GEOGRAPHY

We will be learning about the layers of the Rainforest this term and developing our understanding of the importance of ecosystems and the affect humans can have on delicate ecosystems present in the rainforest.

FRENCH

This term we will learn about colours and members of the family, as well as revisiting some French greetings.

RE

This term, we will be focusing on Christianity and the beliefs Christians hold when talking about the Kingdom of God.

ART

In Art we will be studying Henri Rousseau and creating rainforest paintings based on tropical rainforest photography. We will also use modelling clay to create leaf sculptures.
