

Year 4 - Summer Term 2025

ENGLISH

During the summer term, we will be studying a range of texts including *The Egyptian Cinderella*. We will be using this text to write a narrative retelling of the story. We will also be writing a description about Anubis, the Egyptian god of death and the afterlife and creating a travel blog about Egypt.

SCIENCE & COMPUTING

In science, we will be studying the topic of 'Electricity'. We will be identifying common appliances that use electricity, learning the different components and constructing simple circuits and identifying some common conductors and insulators.

In Computing, we are going to become presenters! We will be using the Popplet app to record our research around a chosen topic. We will then plan, structure, prepare and deliver a video presentation using a green screen.

E4S

In E4S, we will be exploring our achievements and goals, including what is going well for us and what we are grateful for. We will also be identifying our long term goals and what we need to do to achieve them. In addition, we will learn about gender stereotyping and where it comes from. We will consider some of the things that girls and boys enjoy and our personal attitudes to gender roles and stereotyping.

The Awesome Egyptians

RE

This term, we will be focusing on Christianity where we will explore the question, 'Why do Christians believe they are 'people on a mission'? After half term, we will be learning about Hinduism and how the story of Rama and Sita inspires Hindus to follow their dharma.

FRENCH

In French, we will be continuing with the topic 'Chez Moi'. We will learn how to describe our homes and the rooms inside them.

MATHS

This term our maths topics will be:
Decimals - tenths, hundredths and wholes
Money - converting, comparing and estimating amounts
Time - converting between analogue and digital time
Shape - angles and lines of symmetry
Statistics - interpreting charts and line graphs
Position and Direction - plotting co-ordinates and drawing 2D shapes on a grid

HISTORY

In the summer term, we will be learning about the significance of the Ancient Egyptian period. We will compare aspects of life in Ancient Egypt to life in modern times. We will study some of the important people, places and events during this time.

ART/DT

In art, we will be using photography to help turn us into a Pharaoh and then oil pastels to embellish our work.
In DT, we will be creating a plan and baking our own Egyptian bread roll - YUM!

PE

Our focus for PE in the summer term will be tennis, cricket, rounders and athletics.
