

Castlewood Primary School Governor Impact Statement 2024/25

What impact is the Governing Body of Castlewood Primary School having on outcomes for pupils?

The Governing body has three core functions:

- Ensuring clarity of vision, ethos and strategic direction;
- Holding executive leaders to account for the educational performance of the organisation and its pupils, and the effective and efficient performance management of staff; and
- Overseeing the financial performance of the organisation and making sure its money is well spent.

The table below provides an outline about how the Governing Body (GB) has fulfilled these functions and contributed to the continued improvement and success of the school in the last year.

Governor monitoring of key subject areas continued this year aligned with the school development plan. Governors oversight was achieved through subject lead meeting and learning walks with Subject leaders. Discussions and actions are recorded and shared on Governor Visit Forms Governor Action Plan refreshed and monitored to support the school through high-quality governance and focus on continued development. This is monitored termly in FGB. Detailed analysis of data relating to Pupil Premium and SEND group received by Governors. Link Governor liaised close with SENCo and shares regular updates to GB. Developed monitoring of pupil and staff wellbeing Mellbeing Impacts Governors have knowledge of provision and outcomes about their nominated subject area, and provided feedback to GB to ensure all governors have strategic overview of curriculum on offer at Castlewood, and any implications for future decision making e.g. budget planning. Governors aware of expectations of school governance and how they can contribute to and support continued school improvement. Increase in strategic oversight of outcomes, and understanding of effective use of Pupil Premium Funding at Castlewood Wellbeing of all in the school community is monitored and discussed by the board. Survey results from both pupils and staff have been reviewed with actions taken where necessary. Funding to ensure key safeguarding risks are mitigated (fences, gates, sun protection) has been identified following proactive governor action
