

ENGLISH

In writing, we will be starting with a description about Anubis, the Egyptian god of death and the afterlife.

We will be studying a range of texts during the Summer Term including The Egyptian Cinderella. We will be using this text to write a narrative retelling of the story.

HISTORY

In the Summer Term, we will be learning about the significance of the Ancient Egyptian period. We will compare aspects of life in Ancient Egypt to life in modern times. We will study some of the important people, places and events during this time.

SCIENCE & COMPUTING

During the Summer Term, we will be moving onto Animals including Humans.

In Computing, we will be looking at key features of power point and creating a presentation on our topic!

PE

In PE, we will begin our learning by having a go at orienteering and learning how to use a map to navigate. We will move on to learning the basics of athletics and rounders, focusing on our physical skills and understanding the rules of the games.

The Awesome Egyptians

RE

This term, we will be focusing on Christianity and the beliefs Christians hold when talking about the Kingdom of God.

FRENCH

We will be learning all about musical instruments in our French topic 'Les Instruments'.

MATHS

Our Maths topics will be:

Fractions - finding equivalent fractions, adding and subtracting fractions.

Mass and Capacity - using scales, grams and kilograms, litres and millilitres.

Money - pounds and pence, adding and subtracting money.

Time - telling the time using am and pm, minutes, hours and days.

Shape - turns and angles, 2D and 3D shapes.

DT

We will be creating a plan ready to bake an Egyptian bread roll. Yum!

ART

We will be using photography to help turn us into a Pharaoh and then oil pastels to embellish our work.

E4S

We will be learning about the importance of eating well and being active by exploring how healthy foods give our bodies energy and help us to grow strong.

Additionally, we will be learning about how to stay safe in different situations.
